REASONS FOR ALLOWANCE

1. This office action is in responsive to the paper filed on January 24th, 2006.
2. The following is an examiner's statement of reasons for allowance:
 - The claimed invention is a method for monitoring a technical system having a process variable and an associated threshold parameter value.
 - The claimed method includes a limitation "cyclic sampling of at least one of said process variables and determining a threshold value crossing time from at least two previous samples of a process variable having at least one threshold".
 - The combination of prior art of record does not expressly disclose or suggest the "method" with the feature of "cyclic sampling of at least one of said process variables and determining a threshold value crossing time from at least two previous samples of a process variable having at least one threshold".
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
4. Claim 2 has been cancelled.

Claims 1 and 3 – 7 are deemed allowable, which have been renumbered to new claim numbers 1 – 6 respectfully.
